FATHIR MOHI

About Me

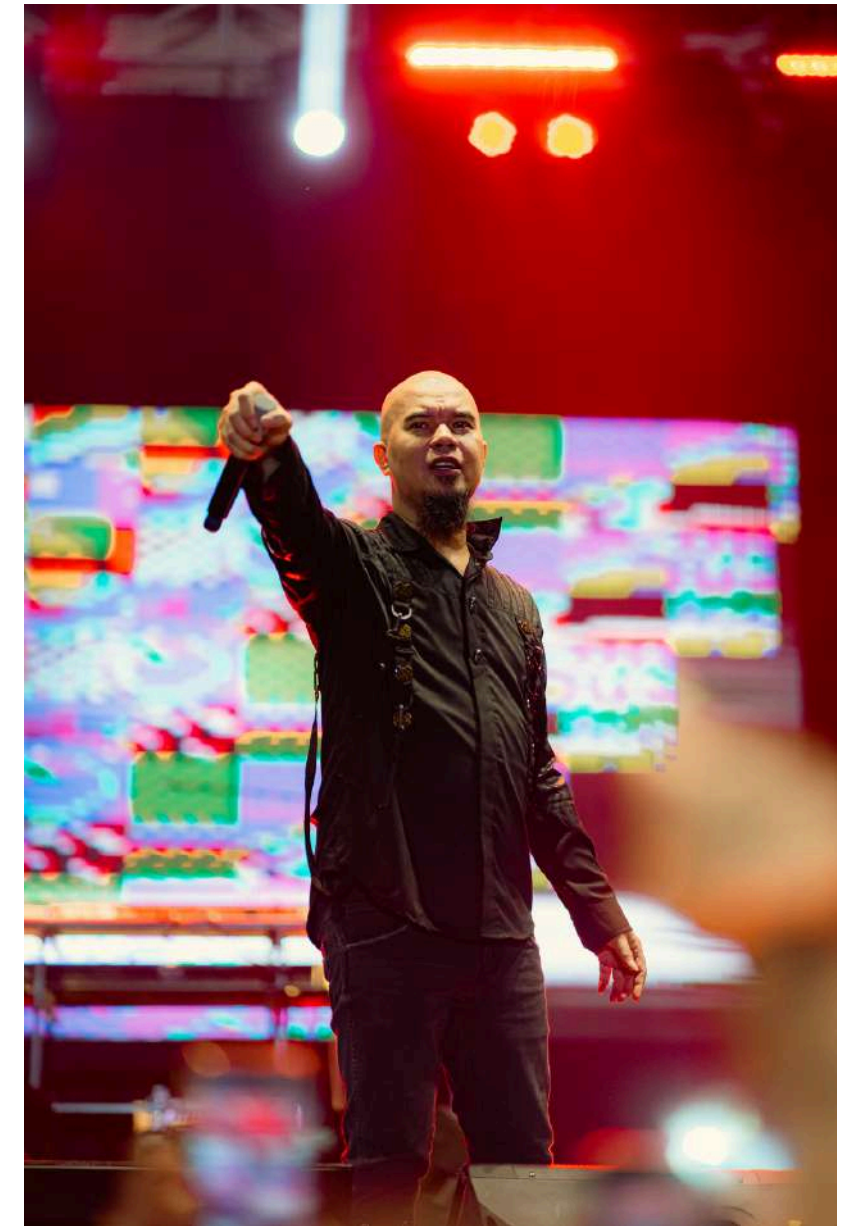

Hi! My name is Fathir Mohi, a passionate freelance photographer with a keen eye for capturing the beauty and essence of every moment. My journey in photography began in 2019, where I immersed myself in learning and refining my skills. In 2023, I took the leap into the professional world as a freelance photographer, dedicating myself to transforming visions into captivating imagery.

P O R T F O L I O

Concert Photography

Photography by combining the concept of a building with the technique of taking pictures from the bottom to the top.

Portrait Photography

Capturing emotions and personalities through striking portraits. Portrait photography focuses on capturing a subject's likeness, personality, and mood. It often involves well-thought-out lighting, backgrounds, and poses to create visually compelling images that tell a story or evoke emotions.

Journalistic Photography

Capturing real-life events and moments with authenticity and accuracy. This style focuses on telling compelling stories through imagery, often used in news, documentaries, and reportage photography.

LANDSCAPE

Photography

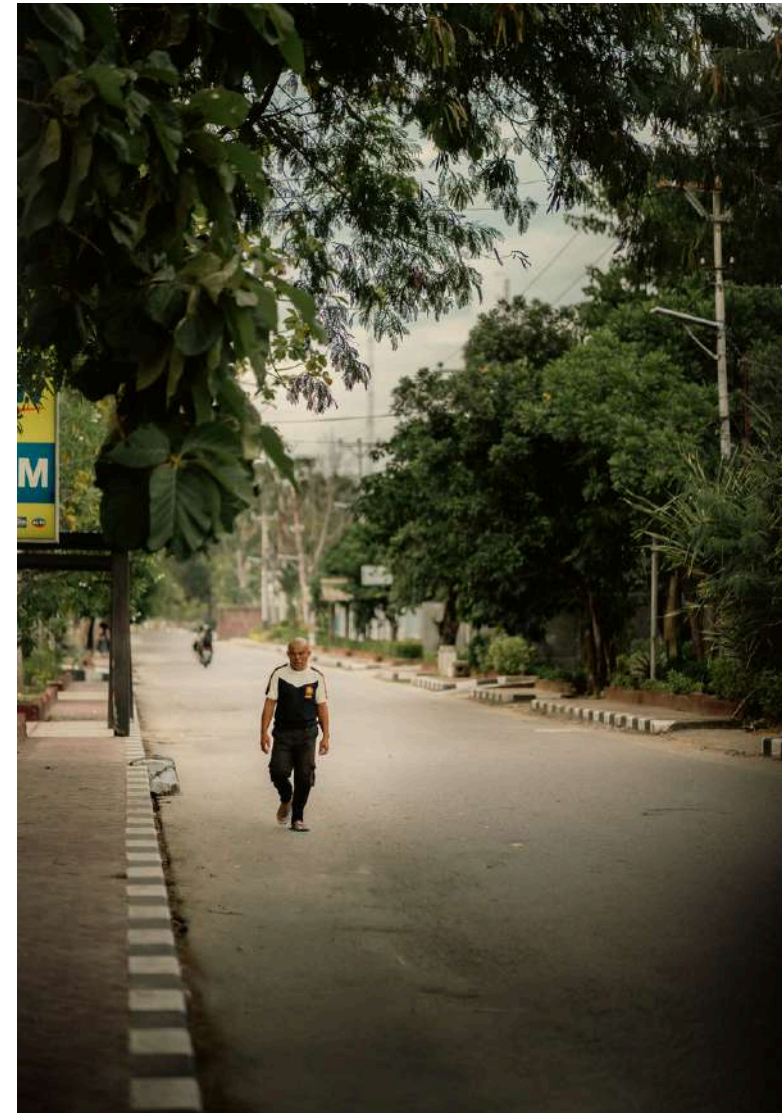

Model Photography

Creating stunning visuals that highlight beauty and fashion. Model photography focuses on showcasing clothing, accessories, and the model's expressions through artistic and well-composed images. This style often involves studio or outdoor settings, professional lighting, and creative direction to produce captivating fashion or commercial imagery.

Street/Human Photography

Photography by combining the concept of a street with the technique of taking pictures from the top. Documenting the raw and candid moments of everyday life.

Graduation Photography

Focuses on capturing the milestone of a person's graduation, whether from high school, college, or university. This photography typically includes individual portraits wearing a cap and gown, as well as group photos with family, friends, or professors.

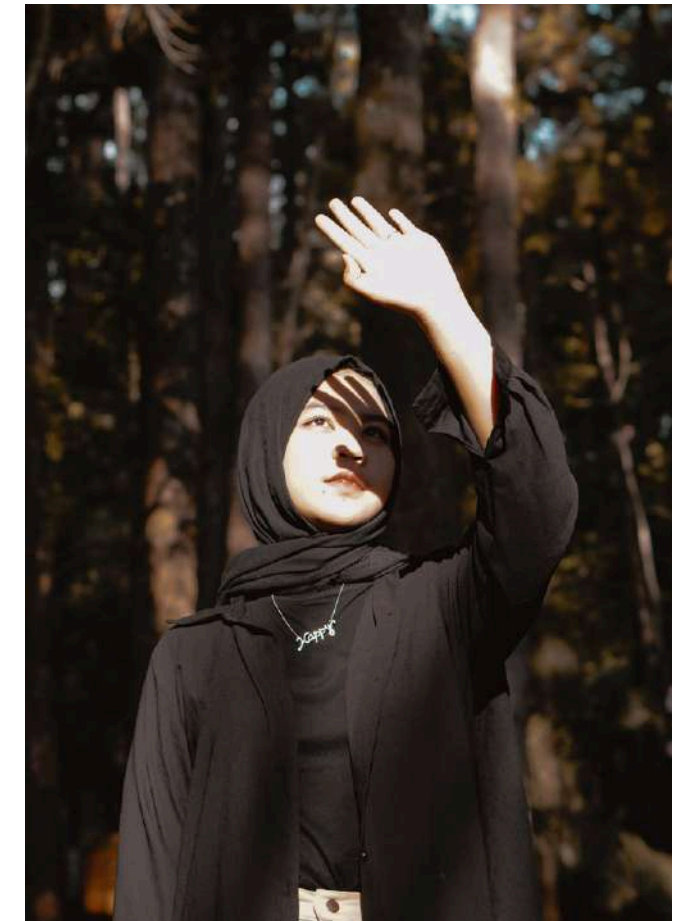

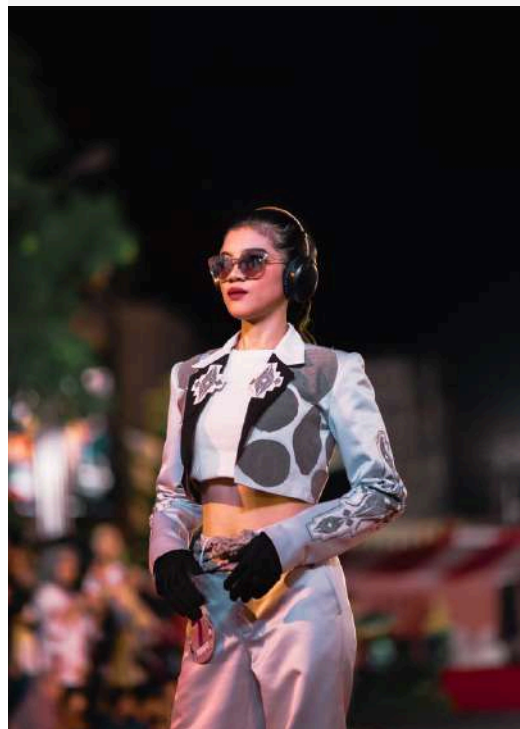

Type of photography that focuses on capturing moments from various events, such as corporate gatherings, weddings, concerts, festivals, parties, and conferences. The goal is to document the atmosphere, key moments, and emotions of the event, providing high-quality images that can be used for memories, promotions, or marketing purposes.

Event Photography

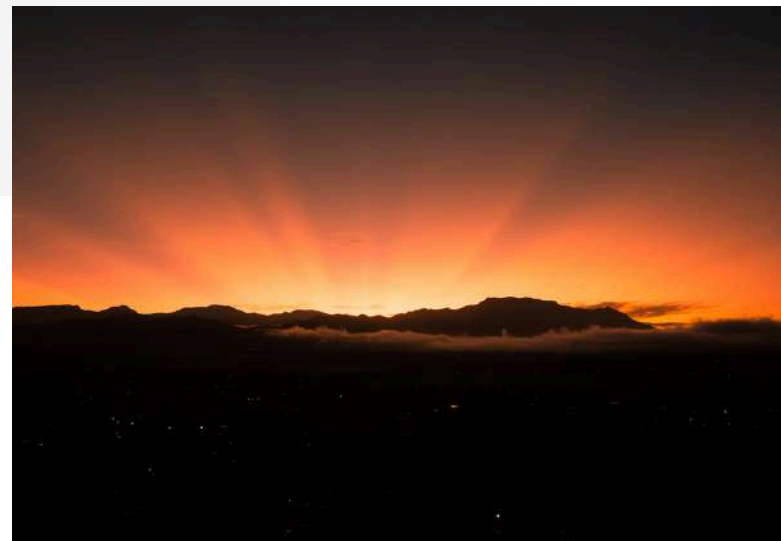

Fashion Photography

Fashion photography is a genre of photography that focuses on displaying clothing, accessories, and other fashion items in an artistic and visually appealing way. It is commonly used for advertisements, magazines, editorials, and social media campaigns.

Nature Photography

Photography by combining the concept of a street with the technique of taking pictures from the top. Documenting the raw and candid moments of everyday life.

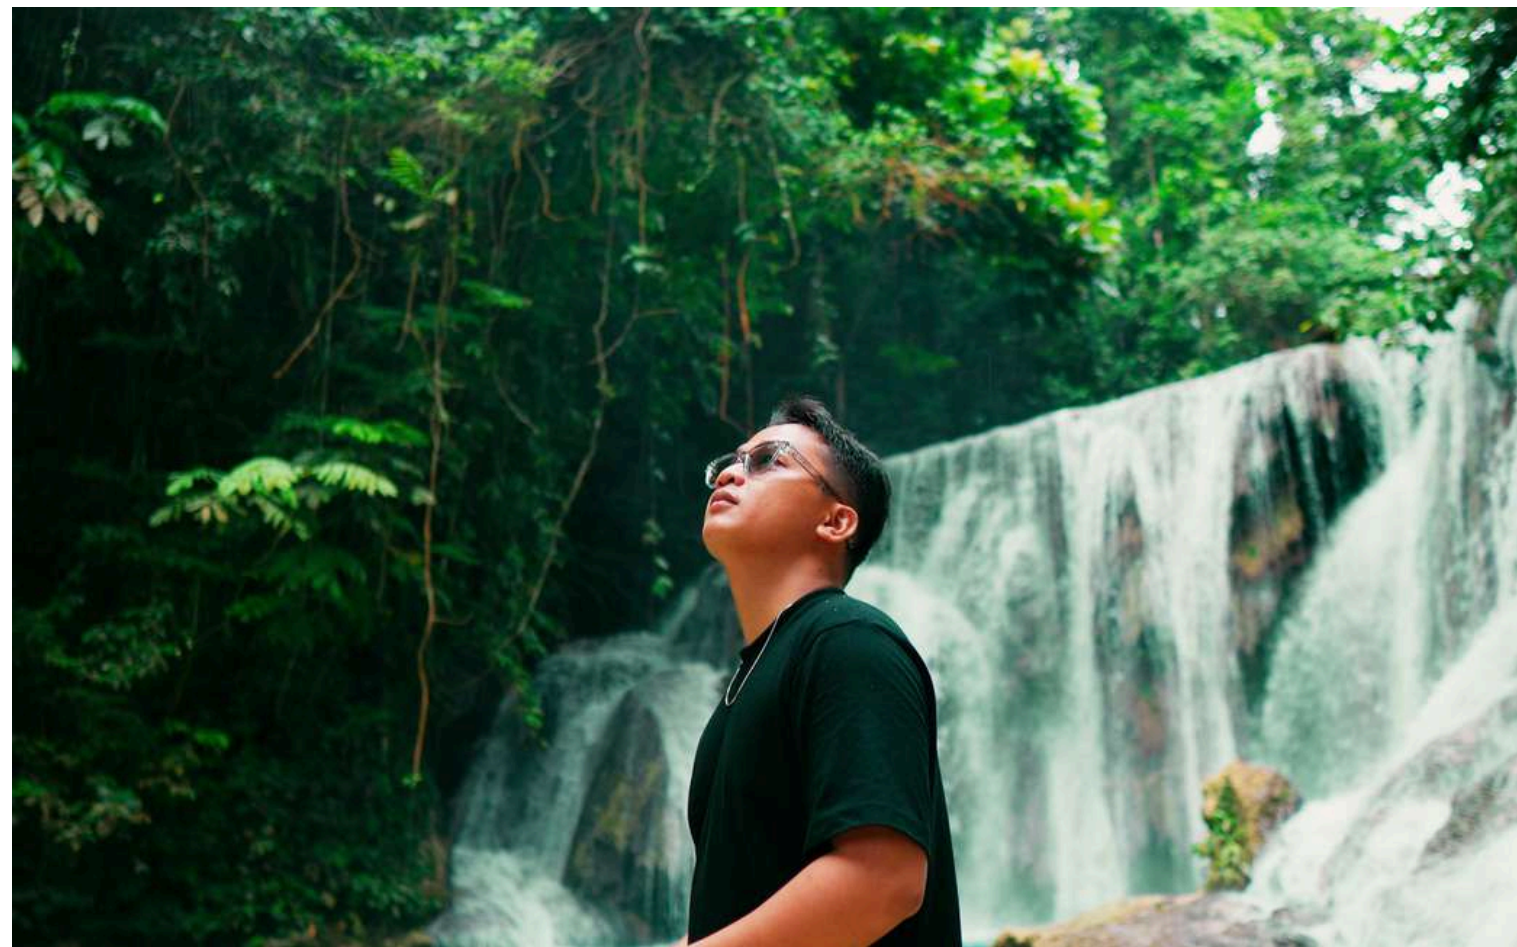

Group Photography

Group photography is a type of photography that focuses on capturing multiple people in a single frame. It is commonly used for family portraits, corporate teams, social gatherings, weddings, and event photography.
